*Musical Minis is a fun time music group for babies and toddlers.*

*Each structured session encourages cognitive, physical and emotional development through the use of music, instruments and stories in a relaxed group atmosphere. It concentrates on rhythm, song, sound and movement to encourage early communication; promoting confident, sociable and creative children. The programme encompasses many of the objectives of the Early Years Foundation Development in a fun and enjoyable way.*

*50% of all proceeds will be donated to 'Taylan's Project', Brain Tumour Research in Children*
